I heard from Ed, late yesterday about the pending wire transfer to Ash's account. He was told by the sender (Stuart Krost) that it should be received in TCI, today. Additionally, today Ed told me that he will be funding a new account in the US for Top Knot, Inc. USA, a company that is wholly-owned by Dawn Bronson, with proceeds from a line of credit that was extended to Ed's company (Top Knot Limited (Nevis)). I have provided Dawn with all documents necessary to open the US-based account for Top Knot, today. These funds will be used to pay deposits and land purchases. I will keep you both posted as I hear more.
